Subject : Additional old age Pension to C.G. Pensioners.

Reference: Govt. Of Telangana Order Dated: 23rd June 2021.

Regarding—Additional Quantum of Pension / Family Pension

Respected Madam,

Greetings from Bharat Pensioners Samaj , an associate NGO of International Federation on Ageing (IFA) Toronto (Canada) and one of the identified C.G. Pensioners organization of GOI – DOP&PW with a reach to over 10 lac pensioners.

As a Federation of Pensioners Association in India, it is our privilege to seek redressal of grievances of pensioners who are the senior citizens in the evening of their lives.

Accepting the Sixth Pay Commission recommendations with effect from 01.06.2021, GOI had allowed an additional Pension of 20, 30, 40, 50 and 100 % for C.G. retirees and family pensioners on attaining the age of 80, 85, 90, 95 and 100 years respectively. To cater to additional expenditure due to old age disabilities/diseases which actually set in by the time an employee retires and go on manifesting very fast, needing additional finances to take care of these disabilities and diseases. You are very well aware that during the last one & a half decade financial scenario has entirely changed. Cost of living especially the cost of health care has gone very high. Pensioners/Sr citizens are worst affected by corona-19 pandemic 1 & 2, falling interest rates on their deposits and the DR freeze. A large no of them especially in the lower rung are now at the verge of starvation & need immediate financial relief.

Govt. of Telangana vide their order dated 23.06.2021 has allowed additional quantum of Pension – Family Pension to Pensioners/Family Pensioners on attaining the age of 70 years and above as per following scale:

S.N.	Age of Pensioners of pension	Additional quantum
1	From 70 years to less than 75 years	15% of basic pension
2	From 75 years to less than 80 years	20% of basic pension
3	From 80 years to less than 85 years	30% of basic pension

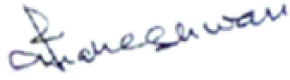

- | | | |
|---|--------------------------------------|------------------------|
| 4 | From 85 years to less than 90 years | 40% of basic pension |
| 5 | From 90 years to less than 95 years | 50% of basic pension |
| 6 | From 95 years to less than 100 years | 60% of basic pension |
| 7 | 100 years and more | 100% of basic pension. |

Madam, It will not be too much on our part to request you to grant similar relief to C. G. Pensioners/family pensioners.

Hoping for sympathetic favorable consideration

With Warm regards

Truly Yours,

S C Maheshwari
