LIFE CERTIFICATE: Assisting Pensioners to submit their Annual Life Certificate-2024

In an yet another stellar joint performance by Karnataka P&T Pensioners' Association and Coffee Board Pensioners' Association, Bengaluru, improving upon their last year's joint performance in helping pensioners to register their annual life certificates with the Pension Disbursing Authorities - Banks and Post Offices- for continued payment of their pension, the Pensioners' Associations, both affiliates of CCCGPA, Karnataka, during the month of November 2024, organised 39 Digital Life Certificate Camps - 27 in Bengaluru City in various localities and one each in Mysuru, Thumakuru, Hassan, Shivamogga, Chikkamagaluru, Davanagere, Chitradurga, Kolar, Robertsonpet, Tirupathy, Nanjanagudu and Chamarajanagara managed by 33 volunteers who extended their selfless yeomen services to the pensioner community.

The number of volunteers increased from 13 in the year 2022 to 33 in 2024. They were well supported by the Office bearers and members of Residents Welfare Associations, Senior Citizens Forums, Old age homes and of course their friends and acquaintances. The hosts provided the required infrastructure needed for a successful conduct of the camps. The Hospitality extended to the volunteers is noteworthy. It is heartening to record that the Officers of the Department of Posts-the Superintendents and the Head Postmasters extended their helping hand to the associations in holding the DLC camps in the premises of the Head Post Offices.

The volunteers visited residences of 1326 aged pensioners, some of whom were bedridden, some using a wheelchair for their mobility, and a few living with oxygen support. They visited some Hospitals and Old age homes also. Their visits to Old age homes to generate life certificates of the inmates received high appreciation from the Managements of

the homes who extended support to the volunteers.

There was a good response from pensioners retired from many Departments of Govt of India, including Defence, Railways, BSNL, EPF, Autonomous Bodies, Banks and State Governments who attended in large numbers In the DLC camps organised by the associations. In the 39 camps held from 3rd Nov to 15 th November 2024, a record number of 2091 pensioners and family pensioners attended the camps. The volunteers generated their digital life certificates by making use of the fast and hassle free "Face Authentication Technology" launched by the Govt of India, Department of Pension and Pensioners Welfare in collaboration with The Unique Identification Authority of India (UIDAI) & Ministry of Electronics and Information Technology (MietY).

Camps in Sahakaranagar, Bengaluru attracted the maximum number of pensioners ie. 257 followed by Camps in Vidyanarayapura, Bengaluru 189, Mysuru 166, Chikkamagaluru 130 and DRDO camp 128. As on 24-11-2024 the total number of Digital Life Certificates generated is a record 3417.

The 2Associations' endeavour in helping pensioners of all hues to submit their annual life certificate FREE OF CHARGES will continue till 30 th November 2024 and thereafter if requested.

Apart from generating life certificates of hundreds of pensioners in the camps, the volunteers trained a few interested pensioners in downloading the 2Apps viz. Jeevan pramaan and Aadhaar Face Rd on their mobile phones needed for generating Digital Life Certificates. SOP for DLC registration was also made available to such willing pensioners .We are glad to record that some pensioners in Bengaluru, Shivamogga, Chikkamagaluru and Mysuru have, in right earnest, started helping

pensioners to submit their life certificates from the confines of their homes.

We are deeply indebted to the volunteers who, during the month of October 2024, to provide doorstep service, visited homes of pensioners aged 80 + and in November 2024 homes of infirm pensioners and assisted them to register their life certificates from the confines of their homes. The volunteers travelled far and wide spending their own money, did not mind the stress and strain involved either in travelling to far off places or commuting to many wards of the City. Some days they were on the job throughout the day. Generating more than 3400 life certificates would not have been possible but for their strenuous efforts. It was, undoubtedly, a real team effort in which each and every one of the volunteers contributed his might to the success of the Associations' strivings for helping the pensioners in general and specially those who are old and infirm.

Grant of Notional increment for calculation of pension to those Pensioners who had retired on 30th June / 31st December after serving for one year from the date of drawal of their last increment.

Department of Posts issues a corrigendum to its letter dated 18-10-2024

We are glad that the Department of Posts has issued a corrigendum to its order dated 18th October 24 on grant of Increment to Pensioners who had retired on 30th June or 31st December.

We had, while publishing the order dated 18.10.24 in October 24 issue of our journal *Pensioners' Champion*, informed our readers that the order of DO Posts needed a clarification as it had stated that only those employees who have retired after 30.4.2023 are eligible for grant of increment for pension which was not in consonance with the instructions issued by Dept. of Personnel and Training vide its OM dated 14-10-2024.

With the corrigendum dated 11.11.24, the benefit of increment must now be extended to Pre - 30.4.2023 retirees also as envisaged in Department of Personnel and Training OM dated 14.10.2024.

We hope that all the Pension Sanctioning Authorities would suo moto initiate action in this regard.

Department of Posts corrigendum is reproduced below
