

82nd Birthday of late Shri J.B. Kumpavat, Executive President, BDPA (INDIA).

To-day we remember his exemplary services to BDPA (INDIA) for its foundation, followed with envious growth in India. He was one of its founder member and pillar of the Association. He organized two All India Conferences in India with glittering success. . He was instrumental in all the progressive measures undertaken by the Association. But for his contribution, the 2nd All India Conference which was conducted in September, 2015 would have not reached to such successful peak. He was key person who contributed glitteringly in publishing 4th Edition of ‘BSNL Pensioners Telephone Directory cum Hand Book 2015’. To-day we remember our golden times spent with him.
