SMT. SANNO DEVI

We are glad to write that under the able leadership of Shri Yash Pal Sharma, Circle Secretary, BDPA (INDIA), Haryana Telecom Circle, a very complicated case has been settled successfully and old lady of 100 years old has been able to get her due with the impressive help of the Association.

Shri Mehar Chand was retired as SRO Sonipat in October 1985 and he was expired on 07.03.2003. First Family Pension of Smt. Sanno Devi was fixed by DAP (Postal), Ambala – Basic Pension $1516+834+100 = 2450/-$. Till June 2025, she was drawing Monthly Pension @ Rs.18, 000/- whereas her date of Birth is 01.01.1925, means her age is already 100 years 6 Month.

Smt. Sanno Devi is staying with her son in Gurugram and one of her well-wisher contacted Shri Yash Pal Sharma, Circle Secretary in July 2025 and in turn he called for record. It was observed that though she has passed 100 years, her Family Pension not re-fixed and therefore within one week of receipt of information, her case was referred to Director Postal Ambala for refaxing her Family Pension in the month of July 2025 as per recommendation of 7th CPC.

With the active cooperation of Working President Shri Chandan Sinhji, Kaithal; we are happy to write that her Family Pension is re-fixed from Rs.18000/- to Rs.34387/- per month and she and her son has expressed gratitude and thanks to the Association and she has joined our Association.

This is glaring example to show that how actively and lively, Shri Yash Pal Sharma Ji is working in the Haryana Telecom Circle and increasing the strength of the Association and achieving new heights of serving the pensioners.
