**Dear Shri Mistry ji,
Greetings of the day!**

I am writing to convey my sincere appreciation for the publication of your association's magazine, *BSNL Pensioners News Gujarat Quarterly News Magazine* (January 2026 issue), brought out by the BSNL & DoT Pensioners Association, Gujarat Circle, Ahmedabad.

On behalf of the Bharat Pensioners Samaj, I extend my heartfelt congratulations to you and your editorial team for producing such a high-quality, vibrant, and informative publication. The magazine stands out not only for its colourful and attractive presentation but also for its comprehensive and well-structured coverage of important and relevant updates.

In an era where information is often scattered and difficult to access, your effort to provide clear, consolidated, and accurate information is truly commendable. The magazine serves as a valuable resource in keeping BSNL pensioners informed, connected, and empowered regarding their rights, entitlements, and welfare measures.

This initiative reflects a deep commitment to the welfare of the pensioner community. Please continue this excellent work. We look forward to future editions that further strengthen the flow of information to those who need it most.

With warm regards,

For Bharat Pensioners Samaj
