Pensioners Day 17-12-2025

Sri K.B.Krishna Rao, President CCCGPA, in his opening remarks spoke briefly about the significance of Pensioners Day and said that presence of Dr H S Prasanna, the new Additional Director, CGHS as the Chief Guest and Dr Ravindra Y Asangi, the Chief Medical Officer & Nodal Officer Empanelled Private Health Care, as the Guest of Honour in Pensioners Day celebrations has added more importance to the event as the Doctors will be answering issues raised by pensioners in the interactive session that would follow. Sri Rao said that CCCGPA-K has been having an extremely cordial relationship with the Additional Director and other Doctors who are receptive and considerate. He requested Sri Radhakrishna, G S, CCCGPA, to welcome the guests and others.

General Secretary explained the importance of Observance of 17th December as "National Pensioners' Day" referring to the famous Nakra Judgement delivered by the Honourable Supreme Court on 17-12-1982. Further, he said that on the occasion of this Pensioners' day an interactive session is being held with CGHS authorities to enlighten the beneficiaries with the latest changes that have been made to CGHS Rules regarding empanelment of Private HCOs and the revision of CGHS rates. Referring to the relationship with CGHS authorities he said it is very cordial and they are very helpful and try to solve most of the issues brought to their notice. He welcomed Dr. Prasanna and Dr. Ravindra to the Dias and requested them to address the pensioners. The G S requested the audience to seek clarifications, if any, only at the end.

Dr Prasanna, while referring to the co-ordination with the members of CCCGPA said that it is super cordial and CCCGPA is extending full co-operation in settlement of many issues. Later he said that consequent on revision of CGHS package rates, many new hospitals and also those previously empanelled hospitals

that had opted out of CGHS, had shown interest and signing of MOA is under way and it may happen soon. In regard to revision of CGHS rates he recalled the efforts made by Dr. Vijayalakshmi Mohan former Additional Director and Dr Ravindra and others. Further, he said that once the process of signing of MoA is completed most of the issues of the CGHS beneficiaries may get resolved. He further said most of the issues brought to the notice of the CGHS by CCCGPA have been resolved. Later, he requested Dr Ravindra, Nodal Officer, CGHS to present the PoP prepared by them.

Dr. Ravindra, through a power point presentation explained topics like direct consultation with specialists at empanelled hospitals by the beneficiary aged 70 years and above, new CGHS rates, guidelines to claim medical reimbursement bills, systems to redress the grievances of the beneficiaries, procedure adopted by CGHS for empanelling a private hospital etc. Regarding CGHS rates he informed that now distinct classification is made to fix the rates between a NABH, non-NABH hospitals and super specialty hospitals and also rates are fixed considering the status of the city. Also, rates are not fixed merely by tender notification and many parameters are taken into account while fixing the rates. The revised list contains a clear definition of the tests. Also, he explained that many obsolete tests have been deleted and 405 new tests have been added to the list. He further explained that in the MoA, it has been clearly mentioned that each hospital should open a consumer helpline portal and should nominate at least two grievance settlement officers and their phone numbers should be furnished by the hospital. Dr. Ravindra also explained the rights of the beneficiaries besides the guideline for submitting the MRC. Dr Ravindra advised the beneficiaries to insist on issuance of a detailed bill for the extra amount collected by

the hospital and the beneficiaries should also indicate the amount collected from them by the hospitals in the feedback that they furnish after the treatment. He also advised all to submit the nomination form which will be made available to all. He said that to avoid fraudulent claims, a number of steps have been introduced like taking the geo-tagged photo of the beneficiary on his/her visit to the hospital & authentication by One Time Password (OTP) received on the registered mobile phone of the beneficiary etc. He requested the beneficiaries to be co-operative and comply with the instructions issued by CGHS to avoid fraudulent claims by the Hospitals. Dr. Ravindra while referring to treatment for patients above 70 years, informed that with a single reference one can consult with 5 Specialists in the same hospital and can also undergo investigations costing up to 3000 rupees without further referral from the wellness centre.

Dr. Ravindra informed the beneficiaries further that the rates now include some of the disposables also but not the cosmetics. Fuhrer, he said under new MoA, hospitals cannot refuse any treatment giving the reason that a particular treatment at the hospital is out-sourced. He mentioned that some patients are in the habit of undergoing unnecessary blood tests very frequently like HB1 AC, Lipid Profile, Potassium level etc.

He informed the beneficiaries that while making dual claims, (From Health Insurance Companies and CGHS) the beneficiary should insist and get the final settlement copy form the Insurer and not from the hospitals so that claim can be settled much earlier by CGHS. Referring to the demand about opening of CGHS Wellness center at each District Head Quarter, he said there is a proposal to get one private hospital empanelled under CGHS at each district HQ depending upon the numbers of beneficiaries in that district. Empanelment of at least one hospital in each district will provide health care facilities to pensioners especially during a medical emergency.

Dr. Ravindra, ending his power point presentation, said that in case of emergency treatment at Private Hospitals the reimbursement will be made at non-NABH rates. Also, he said that CGHS has migrated to new software and application for new card is to be submitted only online whereas, renewal can be done offline.

General Secretary, Radhakrishna thanked the CGHS authorities for presenting very good informative PoP and requested the members to seek any clarification required.

One of the members requested to educate both the pensioner as well as HCOs and also to share the PoP with all as it contains a lot of useful information.

CGHS authorities while agreeing to share the POP said that they are ready to address more such meets if a venue is provided by any association.

General Secretary brought to the notice of the CGHS authorities that Fortis Hospital is insisting on the beneficiaries to purchase the medicine required for dialysis from the medical store of the hospital and is not agreeing to prescribe the one issued by the Wellness Center. Secretary informed that the medicine costs about 4000/- and the patient has to shell out from his pocket and this has to be viewed seriously. R.V Aster Hospital is not allotting Special wards though the beneficiaries are entitled to it.

Sri Jagannatha Rao, Vice President, AIBSNLWA suggested that an interactive session with the hospital also may be conducted.

Sri M.Basavaraju, & Sri Vishwanath suggested to educate the HCOs by bringing to their notice the "Dos and Don'ts"

Sri Lakshman complained that there is no proper co-ordination in Koranmangala wellness center and the staff is asking the copies of documents repeatedly for settling the cases.

Dr Prasanna, AD CGHS, responded to the issues raised by the pensioners and said that some issues may be settled when the new MoA comes into effect.

Sri Mallikarjuna informed that for some administrative reason PPO was not issued to him and CGHS is not issuing CGHS card based on the information available with the pay slip submitted by him.

He was informed that CGHS card is issued only when final PPO is issued to him.

The interactive session ended after the Doctors answered the queries raised by the Pensioners.

Dr. H.S. Prasanna, AD, CGHS and Dr. Ravindra CMO, were felicitated by the President Krishna Rao, Vice-President Gangadhara Rao, Genl. Sec. S. Radhakrishna and G. Babu President KP & TPA. The Chief Guest and the Guest of honour were seen off by the Management Committee, CCCGPA.

CO-ORDINATION COMMITTEE OF CENTRAL GOVERNMENT PENSIONERS ASSOCIATIONS KARNATAKA

Demonstration against “Validation of Pension Rules” and Terms of reference of 8th CPC and Proceedings of the Management Committee Meeting held on 17-12-2025

The Management Committee meeting of CCCGPA –K was held on 17-12-2025 at Udayabhanu Kala Sangha, Bengaluru -560019 under the Presidentship of Sri K.B.Krishna Rao. Meeting began at 10.30 hours and was attended by about 230 members from various affiliate associations.

General Secretary, Sri Radhakrishna, while welcoming the gathering announced that before taking up the agenda for discussion, demonstration against the "Validation of Pension Rules" and an interactive session with the CGHS Doctors will be held. He then requested all to assemble in front of the building for the demonstration.

All pensioners assembled in the compound of Udayabhanu Kalasangha building. General Secretary informed the gathering that the National Coordination Committee of Pensioners Associations (NCCPA) & the Forum of Civil Pensioners Associations (FCPA) have chalked out many agitational programmes against the "Validation of Pension Rules" passed as part IV of the Finance Act 2025

by the Parliament in the budget session on 26-3-2025, gazetted on 29-3-2025. He also informed that the FCPA has called for holding demonstrations during December 2025 and to conduct a signature campaign demanding amendments to the Terms of Reference of the 8th CPC to delete the word "unfunded" and to include "Revision of pension of Pre- 2026 pensioners". Briefing on these issues, the General Secretary informed that the Government has mentioned in the ToR that the expenditure being incurred on pension is unfunded and therefore the Pay Commission must keep this aspect in view while recommending revision of pension, which is retrograde and hence the Forum of Civil Pensioners' Associations has called upon the Pensioners Associations in the country to submit a memorandum to the Honourable P.M. on the demands. He said that CCCGPA has drafted a memorandum to be submitted to the P M and requested all to sign the same which will be forwarded to the Secretary General NCCPA for submission to the PMO. He requested the President to Speak on the issue.

President, Sri Krishna Rao informed the gathering that the NCCPA had called upon all Pensioners Associations to form a Forum of Civil Pensioners Associations at each state to carry out the agitational programmes and to strengthen to unity of pensioners. He further said that in Karnataka, CCCGPA Karnataka was established in 1998 which has unified the Associations in the State and as of now 32 Pensioners Associations in the State are its affiliates. Therefore, CCCGPA felt that there is no need to form another Forum of Association in the state and CCCGPA will participate in all the agitations planned by NCCPA/FCPA. He also gave a brief account of the agitational programmes planned so far by NCCPA/FCPA in which CCCGPA actively participated and sent reports with photographs to the Forum.

Explaining the Validation of Pension Rules passed by the Parliament, he said that the Government has assumed absolute powers to determine the date of implementation of the recommendation of the 8th CPC, and its applicability or otherwise to existing pensioners. More distressing is the fact that the Govt, through the Validation clause, has bestowed upon itself the authority to classify pensioners into different groups based on the dates of their retirement which is against the 'Nakra Judgment' passed by the Hon'ble Supreme Court on 17-12-1982 which is considered as the "Magna Carta" of Pensioners. The apprehension among the pensioners is that the report of the 8th CPC regarding revision of pension may NOT be made applicable to the

existing pensioners. Referring to the Terms of Reference of the 8th CPC, he said that there is no mention of revision of pension of pre-2026 pensioners in the TOR unlike the TOR of the previous CPCs, the 6th & 7th, which had prescribed that the Pay Commission must consider revision of pension of the past pensioners also.

Continuing, the president said in the last virtual meeting arranged by FCPA, it was decided that each pensioner shall address the Honorable P.M. by writing an individual Post Card. However, some Associations felt that it is not feasible due to non-availability of Post-Cards in large numbers and hence the pensioners can send e-mail to the PMO. However, CCCGPA-K is conducting a mass signature campaign and a Memorandum to the P M signed by all pensioners will be submitted. Individual Pensioners Associations may also send similar memorandums signed by their members. Individual pensioners may also send emails if they so wish.

He further informed that the writ petition filed by 17 Pensioners Associations, including KP&TPA, AIBSNLPWA, CPBA & AUTONOMOUS BODY OF PENSIONERS ASSOCIATIONS in the Honourable Supreme Court against the "Validation of Pension Rules" was admitted on 17-11-2025 and may come up for hearing in the month of January 2026.

The demonstration ended with shouting of slogans against the "Validation of Pension Rules" and the Terms of Reference of 8th CPC.

5. 8th Central Pay Commission and its terms of reference
6. Health Care -CGHS issues , Non CGHS areas and Pensioners of Autonomous and statutory bodies
7. Development regarding 'Validation of Pension Rules' Writ Petition in Supreme Court
8. Any other subject with the permission of the chair.

Items in the agenda were taken for detailed discussion after adoption.

1. Confirmation of the minutes of the last Management Committee Meeting held on 15.03.2025

General Secretary informed that in the last meeting held at Hotel Shanthi Sagar Basaveshwaranagar, discussion was held on the items to be included in the draft of

memorandum to be submitted to the 8th CPC. Items included in the PoP made by Sri P S Prasad, Secretary Ground Water Supply Pensioners Association and Jt. Secretary CCCGPA were included in the draft. General Secretary informed that a final shape is being given to the draft by a Committee appointed by NCCPA and it is likely to be submitted to the 8th CPC when the Pay Commission calls for submission of Memorandums from Pensioners' Association. He said that NCCPA has suggested including in the Memorandum the demand for enhancement of the rates of pension and family pension from the existing rates. Some members suggested that the draft of the Memorandum may be shared in the WhatsApp group so that all can go through the draft. This was agreed to.

Items 2, 3 , 7. General Secretary said that discussions in respect of items 2, 3 and 7 were already made in the morning session.

4. Recognizing the services of Coordinators and Volunteers of DLC Campaign -2025

President said that the item was included in the Agenda especially to recognize the services extended by the volunteers from the Associations affiliated to CCCGPA viz., KPTPA, Coffee Board Pensioners Association, KGCPA, and Survey of India Pensioners Association and thank them for their yeomen service to the Pensioners Community. Many Sponsors and Coordinators extended their helping hands in organization of DLC camps during the year 2025. Continuing he said this year with 72 volunteers 53 DLC camps were held, 36 in Bengaluru and 17 in other cities of the State. He hailed the selfless services of all volunteers and said that some of them travelled across Bengaluru city and some of them out of Bengaluru to places like Mysuru, Shimoga, Chickamagaluru, Nanjangud, Chamarajanagar,

Virajpet, Ponnampet, Chitradurga, Davanagere, Kolar, Thumakuru, Hassan and Tirupathi in A.P. They travelled far and wide meeting the travel expenses from their own pockets. Some of the volunteers visited Old Age Homes, Hospitals to help the infirm pensioners to register their life certificate. They visited thousands of homes of aged pensioners, some of whom were bedridden & unable to move out to attend DLC camps and helped them in submitting their DLC from the confines of their homes. Further, Sri Rao informed that this year, a total number of 4141 DLCs have been generated, 2695 in DLC camps and 1446 during house visits. He said that perhaps, none of the other Associations has generated so many except AIBSNLPWA. President said further that, the service rendered by these associations was highly appreciated by the Department of Pension and Pensioners Welfare during the virtual meeting. Later he requested Sri Anantharamu, Jt. Secretary KP&TPA to read out the list of DLC camps and DLCs generated.

Sri Anantharamu informed that the number of house visits made by the volunteers for providing doorstep service to pensioners was 1446 and the number generated in DLC camps is 2695. Thus, totally a record number of 4141 DLCs have been generated so far improving upon last year's performance during which 3500 DLCs were generated. He gave the details of DLC generated by each of the volunteers during House Visits and in DLC camps. General Secretary conveyed his personal thanks and also on behalf of the affiliates of CCCGPA to all volunteers for their selfless services.

5. 8th Central Pay Commission and its terms of reference

Sri Radhakrishna, General Secretary said that in the ToR of 8th CPC, it has been mentioned that the expenditure being incurred on pension is unfunded and therefore the Pay Commission must keep this aspect in view while recommending revision of pension which is quite unfair. In this regard he quoted the

observations made by many eminent personalities and the opinion of many Courts stating that pension is not a gift or bounty and it is the right of the pensioner. The recent decision by the Government to classify pensioners into groups on the basis of their dates of retirement is against the Nakra judgment. Hence the Forum of Civil Pensioners Association is urging the Government to delete the word 'unfunded'. Regarding submission of common memorandum, he said the draft is ready and, in the memorandum, NCCPA has suggested that 70% of the last pay should be the pension. He further said that it is learnt that 8th CPC will be considered as having been constituted from 01.01.2026 and report will be submitted after 18 months from 01.01.2026.

Sri V.Gopal wanted to know as to whether any committee has been formed to meet the CPC when the CPC calls for its physical meeting with the stake holders like the last CPCs. Answering to his query, Sri Krishna Rao recalled that the Late B.Sadashiva Rao, the first President of KP&TPA & CCCGPA, had drafted the memorandum to the 6th CPC single handedly and it was accepted by the committee (of which Sri Sadashiva Rao was the Vice- Chairman), specially constituted to finalize the common memorandum to be submitted to the 6th CPC. Sri Krishna Rao recalled that Com. S.K Vyas, the late G S, NCCPA, took the initiative to prepare the memorandum for the 7th CPC and all the demands suggested by CCCGPA in the meeting at Chennai, attended by Sri Radhakrishna and himself were included in the memorandum submitted to the 7th CPC. President said that when NCCPA calls for any inputs for the memorandum for the 8th CPC, CCCGPA is always ready to provide them. Sri Gopal and Sri Sadananda suggested to share the draft of the memorandum in WhatsApp group or in the website of the Association so that interested members can go through it. This was agreed to.

6. Health Care -CGHS issues, Non CGHS areas and Pensioners of Autonomous and Statutory Bodies

Both President and General Secretary opined that the discussion on CGHS requires a separate day and due to constraint of time it cannot be discussed in detail. General Secretary informed that from a reliable source it has come to his notice that in principle Government has decided not to open any more

wellness centers at present and is planning to empanel at least one hospital in each district headquarters. He said this may be useful for in-patient treatment only and there is no information how the OPD claims will be settled. Anyway, this has to be watched carefully.

9. Any other subject with the permission of the chair.

No issues were raised by the pensioners and meeting concluded at 15.30 hours

For the Attention of Pensioners

Payment of Family Pension to the Spouse

The association was recently informed that there has been some delay in payment of family pension to the spouse of a deceased pensioner. Enquiries revealed that the name of the spouse and the date of birth indicated in the PPO did not match with those found in the Aadhaar and Pan Cards. Though the name was similar in pronunciation, the spellings differed. The Aadhaar and Pan cards had only the year of birth written in them whereas in the PPO, the year of birth was written with the date & month. As both the name of the spouse and the date of birth as found in the PPO did not match exactly with Aadhaar/Pan, obviously, this resulted in the

Pension Disbursing Agency making some inquiries into the matter and requiring the applicant to submit some more documents including an Affidavit, copies of PPO, Aadhaar & PAN Card etc.

All the Pensioners, may, therefore, ensure that the name and date of birth of their spouse are correctly entered both in the PPO and in all other documents viz. Aadhaar, Pan Card etc. that are required to be submitted along with the application for family pension by the spouse, which would facilitate timely payment of family pension to the spouse and without any hassles
