NO: BDPA(INDIA)/PEN-REVISION2026 Dated 9th November, 2026

To:
Hon'ble Shri Narendra Modi Ji
Prime Minister of India
South Block, New Delhi

Subject: Humble appeal for your kind intervention to ensure simultaneous consideration of pension revision of BSNL pensioners w.e.f. 01.01.2017 along with the 3rd PRC issue of BSNL employees.

Respected Hon'ble Prime Minister Ji,
Jay Shree Krishna,

1. With profound respect, we wish to bring to your kind notice a long-pending and deeply concerning issue affecting thousands of retired BSNL employees and their family pensioners throughout the country.
2. The pension revision of BSNL pensioners, which is due with effect from 01.01.2017, has remained unresolved for nearly a decade. These pensioners had devoted their valuable years of service to the Department of Telecommunications and subsequently to BSNL, contributing to the growth of the nation's telecommunications network.
3. We understand that the Hon'ble Minister of Communications is scheduled to meet the leaders of AUAB on 11.11.2026 to consider their demand regarding implementation of the 3rd Pay Revision Committee (PRC) Agreement for BSNL employees.

We welcome this development and sincerely hope that the Government will arrive at a favourable decision.

1. However, at this crucial juncture, we earnestly appeal to your good self to kindly ensure that the legitimate pension revision demand of BSNL pensioners is also placed before the Government and considered simultaneously.
2. It is our humble submission that the issue of employees' pay revision and the corresponding pension revision of retired employees are closely connected, though they involve separate administrative decisions. While the serving employees are

pursuing implementation of the 3rd PRC Agreement, the pensioners cannot reasonably be expected to remain in uncertainty for another indefinite period.

3. Our apprehension is that if the pensioners' issue is not considered at this stage, it may once again be relegated to a subsequent exercise, resulting in further avoidable delay. For elderly pensioners and family pensioners, many of whom are already facing age-related difficulties and rising living costs, every further delay has serious consequences.

We therefore most respectfully seek your kind intervention and request that suitable directions may kindly be issued to the Ministry of Communications and the Department of Telecommunications:

1. To take up the pension revision of BSNL pensioners w.e.f. 01.01.2017 simultaneously with the consideration of the 3rd PRC Agreement for BSNL employees.
2. To process the pension revision proposal on priority, in coordination with the concerned authorities, and arrive at an early and time-bound decision.
3. To ensure that the pensioners' legitimate interests are not kept pending until after the employees' pay revision is settled, thereby avoiding a further time gap and another prolonged wait.

Sir, we have full faith in your leadership and sympathetic consideration of the genuine concerns of senior citizens. Our humble appeal is that the interests of retired employees should not be overlooked when a major decision concerning their serving counterparts is under consideration.

We sincerely hope that the forthcoming discussion on 11.11.2026 will also provide an appropriate opportunity to address this long-standing grievance of BSNL pensioners.

We shall remain highly grateful for your kind intervention and a favourable direction to the Department of Telecommunications.

With respectful regards,

Yours Sincerely,

(Dinesh D. Mistry)
General Secretary
